

COMMERCIAL HOSPITAL  
FURNITURE

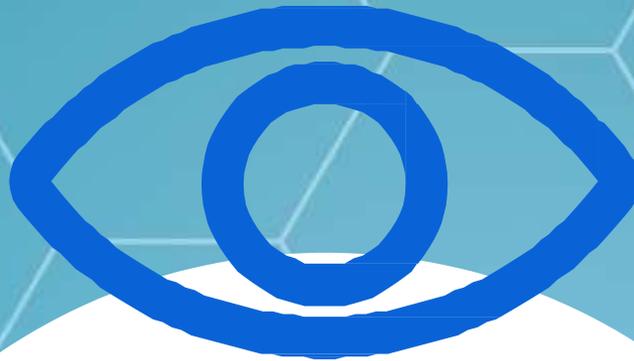

# GET TO KNOW US

We A&T Enterprises, an ISO certified company, are committed to the manufacturing of custom-made **KITCHEN** and **HOSPITAL** equipment on the basis of customer needs, budget and delivery schedule, thereby, achieving the satisfaction of the client.

We are one of the youngest and most noteworthy firms in the country which provides efficient and affordable services for commercial kitchen and hospital furniture. We are a dedicated establishment exclusively dealing with the complete range of foodservice equipment.

A & T Enterprise has been established by a knowledgeable and experienced group of people. We understand the needs of the small, medium and standard establishments catering to small groups like bakeries doubling as eateries, medium-sized eateries, restaurants and large hospitals with big and fully-satisfied clientele. A&T Enterprises is a manufacturer, specialist contractor, distributor and supplier of commercial CSSD, sterile hospital equipment with other varied range of products including trolleys, stretchers, wheelchairs, hospital beds etc. Our product range also includes refrigeration, institutional kitchen and food service equipment. High-quality service is provided to customers, from consultation, planning and designing of their foodservice facilities, to fabrication, import, supply installation and servicing of equipment.

# WHY CHOOSE US?

## WE PROVIDE

### *AFFORDABLE PRICES*

**HIGH-QUALITY SERVICE**

Our in-house manufacturing facilities and technical expertise cater to the manufacture of a broad range of refrigeration equipment and stainless steel products for commercial kitchens and other industrial applications. Strict quality control is exercised to ensure quality. We check the design details and specifications before products are allowed to leave the factory. All fabrication works are done in house to meet the sophistication of our client's requirements.
